

## LEARNING AND DEVELOPMENT POLICY

- ❖ In accordance with current legislation, the Early Years Foundation Stage will be implemented for all young children until the 31<sup>st</sup> August following their fifth birthday.
- ❖ Learning will be built into everyday activities and into planned play activities and learning experiences. These will be suitable for each child's age and stage of development, building on his / her natural curiosity and will support and complement learning at home, school and / or pre-school.
- ❖ Children will be encouraged to be confident, independent and to develop their self-esteem.
- ❖ Children's opinions will be valued.
- ❖ Children will be encouraged to use their imagination and to ask questions.

Independence and creativity  
will be actively encouraged
